COMMUNITY FORUM

Andrew Roorbach – Listing agent for the building in Hume that currently houses the post office. He is concerned about parking availability for the tenants that might rent apartments upstairs, for potential buyers. The Board can't give an answer until they speak to the Highway Superintendent.

DOG CONTROL – Vince Jiliano

Kathy Geyler – 7924 Centerville Rd. Been having an issue with dogs for over 1 ½ years now. States she has spoken to Vince about it in the past. She is at the meeting today because the problem still continues, and she fears for her safety as well as her dog's safety.

Richard Buck explained the legalities regarding the situation.

Justin Hinz & Kathie Hinz – dogs have been lunging at the cows, and has cornered his dog on the porch. The have been seen in the front yard, back yard, killed a cat, as well as have been seen in the barn. They are concerned about the kids playing outside, they aren't sure what these dogs will do. They have pictures but they need to send all the incidents to Vince.

Written complaints have been filed by Kathy Geyler, Kathie and Justin Hinz. Vince will investigate and issue a ticket.

Bruce Hinze removed himself from the Board in order to speak about the dog situation. Have tried to contact Dog Control Officer 5 or 6 times in the last year when dogs were in the barn. There is a pattern that they can't control their dogs.
